#### 4.4 BRIC SuperSport 250

##### 4.4.1 BRIC SuperSport 250 (SS1 Pro) / FMSCT All Thailand Super Bike Championship

(15 – 50 years old, scoring method for Thailand Championship) **250SS Technical Rules**

Rider must be the factory team riders or be on the list of 250 SS1 Pro by TSB Riders Ranking 2026 and the riders who got an annual classification adjustment. Foreigner rider with FIM International License / Start Permission is allowed to join the class.

##### 4.4.2 BRIC SuperSport 250 (SS1) / FMSCT All Thailand Super Bike Championship

(15 – 50 years old, scoring method for Thailand Championship) **250SS Technical Rules**

Rider must be on the list SB1, ST1, 600 SS1, 250 SS1 by TSB Riders Ranking 2026 and the riders who got an annual classification adjustment. Foreigner rider with FIM International License / Start Permission is allowed to join the class.

#### 4.4.3 BRIC SuperSport 250 (SS2) (250SS Technical Rules) 14 - 60 years old

Rider must be an amateur rider or be on the list of SB2, ST2, 600 SS2, 250 SS2 by TSB Riders Ranking 2026 and the riders who got an annual classification adjustment. The 2025 SB2, ST2, 600 SS2, 250 SS2 and 400 SP winners will be upgrading to 250 SS1 as an annual classification adjustment. Foreigner rider with FIM International License / Start Permission is allowed to join the class.

#### The 2026 annual classification adjustment

1. The annual classification adjustment will be considered by the lap time records of each rider. 2 fastest lap time recorded on the 2024 and 2025 Qualify session will be calculated for their average lap time in order to classify the 2026 classes. This calculation applies for **SuperBikes 1000 Class**: SB1, SB2, SB3 **SuperSport 600 Class**: SS1, SS2 and **SuperStock 1000 Class**: ST1, ST2, ST3
2. The average lap time for **SuperBikes 1000** SB2, SB3 **SuperSport 600** SS1, SS2 and **Super Stock 1000** ST1, ST2, ST3 must not be over 105%, comparing to the fastest lap time of that class. The average lap time for **SuperBikes 1000** SB1 must not be over 107%, comparing to the fastest lap in that class
3. The official committees reserve the right to adjust the rider's enrollment class in cases that his/her qualification is considered inappropriate, including the reason which is not mentioned in this document.
4. In case that the rider has never been in BRIC Superbike but had ever participated in other motorcycle competition, the official committees reserve the right to determine their class.
5. If there is any contradiction during the race, the official committees are reserve the right to make a decision on the classification adjustment. In case that the rider has to change his/her class to the upper level, 25% of their accumulated score will be counted.
6. The riders from Factory Academy Program e.g. Thailand Talent Cup, Yamaha R3 bLU cRU Asia-Pacific Championship, who join the BRIC Superbike 2026 as the first season. They are allowed to participate in class 250 SS1, 600 SS1 and SB1 only

## Classification adjustment during 2026 season

1. Classification adjustment during 2026 season could be occurred during the season by considering lap time from practices, qualify and race below:
  - 1.1 Faster than 2% of class time - can be faster for 1 time
  - 1.2 Faster than 1% but not faster than 2% - can be faster for 2 times
  - 1.3 Not faster than 1% of class time - can be faster for 3 times

In case rider's lap time exceed criteria mentioned above in practice or qualify session, rider must suddenly move to higher class in race session of that round. In case rider's lap time exceed criteria mentioned above in race session, rider will be moved to higher class in next round. Rider will receive 25% of accumulated score from previous class in case they have move to higher class, consider by the lap time in 1 session.
2. The official committees reserve the right to adjust the rider's enrollment class during the season in cases that his/her qualification is considered inappropriate, including the reason which is not mentioned in this document.
